How to book

Application forms should be returned to Club HQ as soon as they are received in *Your Place in the Country.*

Bookings will be processed by HQ staff on a first come, first served basis and in order of receipt. Only postal bookings along with payment will be accepted and payment will be taken when the form is processed.

Seasonal pitch second instalments are due 28 days prior to the start of the booking date to Greenfields House, card payments will be taken automatically.

With effect from Site opening date, applications can also be processed on the Site offering the facility.

Note: It is advisable to send application forms by recorded delivery (or similar) as the Club cannot take responsibility for any forms delayed by the postal service.

Please be aware that due to the high volume of applications received it is not always possible to confirm receipt of singular application forms, in addition confirmation of your booking may take longer when bookings first commence.

Storage and Seasonal dates

Site opening and closing dates are published in the Club's annual guide *Your Place in the Country.*

Note: some sites have different Storage and Seasonal dates; please refer to both the annual guide and the grid provided for further information.

Storage

Leave your unit in storage for the Summer Season or on selected sites all year round. Milarrochy Bay exclusively offer Boat Storage and Boat Mooring which have the same terms and conditions as Storage. Please see the attached grid for details.

Summer Storage – will start operation on the day that the Site officially opens (unless otherwise specified) and end on the day that the Site officially closes, by which time the units must be removed from the Site. Sites that are open all year will also operate Summer Storage from 29 March 2012 until 5 November 2012.
Year Round Storage – will operate from 29 March 2012 to 20 March 2013.

Unit movements

Storage – At least 24 hours' notice must be given to the Holiday Site Manager prior to collecting and returning units into and out of the storage area, during normal office hours.

Moving of units outside these hours can only be made by prior arrangement with the Holiday Site Manager.

All Storage in the area is to be under the direction of the Holiday Site Manager. Towing Service, where offered, is subject to staff availability and should be discussed with the Holiday Site Managers in advance to ensure the service can be provided. Weight restrictions may apply.

Use of the stored unit for accommodation

A unit may not be used for accommodation in any way whatsoever whilst in the storage area.

Display of vehicle registration

A unit in the storage area must display the correct vehicle registration mark and this must correspond to the entry on the application form.

Seasonal Pitches

Leave your unit pitched on a Club Service Pitch throughout the season. The pitch will be identified by the Holiday Site Manager on arrival, and the fee includes the hire of electric-hook up and the hire of hardstanding.

Note: Specific pitches cannot be reserved, though the Holiday site Manager will endeavour to accommodate needs, The Camping and Caravanning Club cannot guarantee that all requests can be accommodated.

Summer Seasonal – will start operation on the day that the Site officially opens and end on the day that the Site officially closes, by which time the units must be removed from the Site. Sites that are open all year will operate Summer Seasonal from 29 March 2012 until 5 November 2012.
Year Round Seasonal – will operate from the start of the summer season until 20 March 2012, except for Polstead which is 14 February 2012.
Spring Part Seasonal Pitch – will commence operation on the day that the Site officially opens and will end on the 29 May 2012.
Autumn Part Seasonal Pitch – will commence operation on 28 August 2012 until the Site closing date.

The use of units on Site

The Holiday Site Manager requires a minimum of 24 hours advance notice each time you are planning to occupy your Seasonal Pitch. For safety and security reasons, please report to the Holiday Site Manager upon arrival each time you visit.

The unit may be occupied on Site for recreational purposes only, subject to a maximum of 21 nights for any one visit. An interval of at least 3 nights must elapse before a return visit to the unit.

Maintenance of pitch area

Personalisation of a Seasonal Pitch is not permitted. This includes boundary fences, the planting of flower boxes, etc. The storage of any equipment beneath the units whilst the unit is not occupied is prohibited. The visual aspect of a Seasonal Pitch should be the same as any other tourer on Site and kept as neat and tidy as possible at all times.

Awnings and Groundsheets

Awnings will be permitted and they may be erected on hardstanding (preferred) or grassed areas, but they must be dismantled when the unit is vacated at the end of every visit. Groundsheets should be lifted at regular intervals to maintain the condition of the grass.

Leaving your unit unoccupied on a Seasonal Pitch

When leaving your unit unoccupied, please ensure that awnings are dismantled, the electric and gas supplies are disconnected and the pitch left tidy.

Any keys to security locks must be left with the Holiday Site Manager; however neither they nor the Club take responsibility for your unit. Keys will only be used in case of emergencies and will be kept securely.

Seasonal Pitches; Storage

Sub-letting

Sub-letting to any other party or parties whether for financial gain or otherwise is expressly forbidden. Either of the joint members within the membership of the booking, together with their children up to the age of 18 are allowed to use the unit.

Other members of the owner's family and guests can only use the unit when the owner is present, and must pay the appropriate fees per person. All visitors must report to the Holiday Site Manager on arrival.

Note: If the unit is in Storage it is permitted for it to be removed for the use of others with the relevant express permission from the unit's owner, the relevant insurance documents and on payment of the correct pitch fees if camping on Club Sites.

Vehicles

Only one vehicle may be parked on the Pitch in conjunction with the use of a unit. Other vehicles may be parked elsewhere on the site, subject to the Holiday Site Managers discretion and availability of space.

Changes of unit, vehicle or personal details

The Holiday Site Manager must be informed of any change of unit or vehicle registration number shown on the unit. Changes of a members address or contact number must also be given to the Holiday Site Manager and Greenfields House.

Note: Please inform the Holiday Site Manager prior to removing your unit from a Seasonal Pitch. It is also important that you advise of your anticipated return date, otherwise your pitch may not be available. If the site is busy, your vacant Seasonal Pitch may be used in your absence.

Repairs to units

Essential repairs to units that are not roadworthy may be carried out in the Storage Area but permission must first be obtained from the Holiday Site Manager.

Audible alarms and wheel clamps

Audible warning alarms – Must not be activated when left unoccupied.

Wheel Clamps – where these or immobilising devices are fitted, a key must be left with the Holiday Site Manager in case of emergency.

The Camping and Caravanning Club is not to be liable in respect of loss and or damage however caused to the unit or its contents, nor under any obligation to take any steps whatsoever to protect the outfit or the said contents.

Where the depositor is not the owner, then the depositor is deemed to be the legal agent of the owner thereof.

Insurance

Units, as part of any scheme, should be adequately insured and a copy of the appropriate Certificate of Insurance must be given to the Holiday Site Manager upon arrival at the Site.

The Club reserves its right to store such a unit and charge the owner a commercial rate for the storage.

In all cases, the Camping and Caravanning Club will write to the owner to advise them of the above procedure.
