- Site Page www.campingandcaravanningclub.co.uk/cardiganbay

Your Arrival on Site

- Bus stop is approx. 1 mile from site
- There is a sign opposite the pub in Cross Inn village. There is also a brown sign opposite the site entrance together with the main Site Sign and the bottom of the lane leading to the Site
- Metal site barrier locked between 11pm and 7am
- Overnight parking is available just outside the locked barrier
- The approach road is Tarmac
- The gravel visitors parking area doubles as the overnight which is located on the left as you enter the site
- New arrivals should pull up to reception. The surface is tarmac and it's reasonably level
- There are no designated accessible parking spaces
- There is no handrail leading to reception
- No steps but a slight slope on a paved area down to reception
- Potted plants along the path

Your Check in

- The reception is clearly signed for arrivals
- Reception is available 9am-5:30pm
- There is an intercom system located to the side of the reception door which is connected to an on duty team member
- Slight slope on concrete slabs
- No access issues entering the reception
- Good clear floor space in reception
- No low level Reception counter, but clipboards are available

Your Pitch

- Cars can be parked next to all pitches on site
- Five pitches close to the accessible room
- Loose, large gravel on all pitches
- Many level hardstanding and a few grass pitches are close to the facility block
- Site has a mixture of level and sloping pitches

Your Facilities

- There is a clear, well maintained path leading to the facilities
- There are steps to the front of the facility block and a slight slope to the rear, but level from the sides
- There is a gentle ramp leading in to the blocks
- There are steps in to the ladies and gents, CDP, Laundry and Pot Wash but level to the accessible room
- There are no semi-ambulant cubicles in either the men's or ladies
- All sinks have a mixture of lever taps or screw taps throughout
- There are removable stools in all showers, but in the accessible there is a fixed wall mounted seat and a removable chair
- The showers are operated by a push button in men's and ladies and a dial in the accessible room
- The showers have a level floor
- The facility block has low level, wall mounted lights

Your Accessible Facilities

- There is a flat level concrete slab path leading to the accessible facility
- There are no handrails leading to the accessible facility
- There is flat level access in to the accessible facility
