REQUESTING EMERGENCY ASSISTANCE 24 HOURS A DAY

You should first check that the circumstances are covered by Your Policy. Having done this please contact the number shown below, giving Your name, Your Booking confirmation invoice number, and as much information as possible.

Call Us and We will contact the nearest garage. On motorways always use the Emergency telephones as these pinpoint Your exact location. The Police may arrange for Your recovery from the motorway. In this case contact Us when You reach an ordinary phone or use a mobile. If the local Police call for a recovery vehicle to tow You from the motorway, and You are asked to pay on the spot for this service, You should send Us the original receipt.

In France, the Police are the only people that can arrange for the recovery of vehicles from the French Toll roads.

Please note that car hire companies impose driver minimum age restrictions and will require sight of a credit card before releasing the vehicle to You.

Please give Us an address, telephone, or fax number where We can contact You or leave messages. Many hotels, garages and hospitals have telex or fax. This number is invaluable as urgent messages can be left at any time of day or night.

We monitor the progress of each case with care and make all the necessary arrangements.

To comply with the terms and conditions of the insurance You must obtain Our prior authorisation before incurring any expenses over £150. In case of emergency, if You are physically prevented from contacting Us immediately, You or someone designated by You must contact Us within 48 hours.

IMPORTANT VEHICLE HEALTH CHECK

You must comply with the following conditions in order to have full protection under this Policy. If You do not comply We may, at Our option, cancel the Policy, refuse to deal with Your claim or reduce the amount of any claim payment.

The insurance operates on the basis that You will have had Your vehicle properly serviced and maintained in accordance with the manufacturer's specifications, especially when preparing it for a Trip abroad and in the case of vehicles that have reached the age of 21 years at the date of departure of the planned Trip, the Insured Vehicle must have been serviced by a main dealer and the appropriate premium paid.

Will a routine service fall due before the end of Your intended Trip? Or, Are there any parts on Your vehicle that You are aware may need replacing before the end of Your Trip?

If so, You should have Your vehicle serviced at least 10 days before Your Trip to allow sufficient time to carry out any repairs necessary. Don't forget that repairs abroad will disrupt Your Trip, may not be practicable within Your travel timescale, and could cost You significantly more than in the UK.

And – have Your vehicle checked in plenty of time before Your departure date so that Your garage can fix any problem they discover. Under all policies, the benefit under Section 1 – **Cover Prior to Departure** – will not apply if You leave any such work until the final 10 days.

Keep proof of regular servicing in Your vehicle, with Your handbook or travel documents.

If You call Us for assistance, and Our mechanic reports to Us that it is evident You have not maintained Your vehicle in a state fit to complete Your intended Trip, You will have to pay all the costs arising from Our intervention.

OR

When agreed in advance by Us, We will pay the cost of one person to travel to the location of the Insured Vehicle by public transport to drive the repaired vehicle to Your Home in Your Home Countries.

If a replacement vehicle has been given, once the vehicle has returned to the Policyholders Home address within Your Home Countries, it will no longer be covered irrespective of whether the original Insured Vehicle is in process of repatriation.

If the SUPERCOVER additional premium has been paid prior to commencement of the Trip, then in the event that We are repatriating the Insured Vehicle in the event of BREAKDOWN abroad We will pay up to a maximum under this Certificate of £150 for a replacement hire car at Home pending return of the towing Vehicle.
