Carefree holidays are all about the freedom to go where you want and do exactly as you please. The joy of being in the Club is that you don't have to worry about anything; we're the experts in our field, so you can trust in us to deliver.

Trust in our experience

With nearly 100 years' experience in offering camping holidays abroad, these days we're one of the largest bookers of ferry crossings to the continent. Our team of experienced Travel Specialists here in the UK is available to offer first hand advice any time you call. They've camped and visited sites and sailed the ferries, and are fully up-to-date with all the ever-changing deals.

Trust in our flexibility

You can buy whatever services you want from us: ferry only; campsite for a couple of weeks, or for an overnight stop; or your whole holiday as an inclusive package. We offer complete flexibility – so you can tailor your winter abroad to suit you.

Trust in our quality

There are thousands of campsites in Europe, but ours are truly the cream of the crop. With fresh sites added every year, each is carefully chosen and personally vetted to ensure they meet our members' exacting standards. Representing a variety of styles, they've been chosen to make you feel particularly welcome.

Trust in our safety

ABTA and ATOL protected, we pride ourselves in being able to carry the RoSPA (The Royal Society for the Prevention of Accidents) logo on our brochures. Our Travel Specialists will always be ready to help out, at whatever stage of your journey – whether you are booking for the first time or are a well seasoned traveller.

Trust in our value

A key benefit to joining is our exceptional value for money. The more members choose to book through us, the better our position to secure low prices – so we're extremely price competitive, particularly on ferry crossings. We're committed to sourcing ferry discounts exclusively for our members, while the member-only winter pitch fees we negotiate for you are the best like for like value you will find.
