STAFFORDSHIRE

One of the UK's best kept secrets, Staffordshire offers outdoor adventure in stunning countryside with crags, limestone dales and forest tracks. Visit the world famous ceramics and pottery factory shops. Stroll around some of Britain's most magnificent stately homes and lovingly manicured gardens, or simply relax with a picnic beside miles of peaceful canals.

Alton, The Star Club Site

Accommodation

These holiday caravans are set in the beautiful Staffordshire countryside, just a stone's throw from the Peak District and Staffordshire Moorlands.

A paradise for walkers with access to some of the UK's most stunning vistas, it's the ideal location to get away from it all. If the long country walks can't tire out some family members, those with extra energy can play at the onsite children's play area and ball games field.

If you're in need of an adrenaline rush, then Alton Towers is just a short hop down the road, ideal for the inner child in all of you.

TERMS AND CONDITIONS

1. Bookings are accepted only from guests aged 21 or above. Bookings are not accepted for party events, stag or hen party groups or similar. The Club reserves the right to refuse bookings should they appear unsuitable for the property, and reserves the right to refuse admission on arrival if any aspect of the booking is misrepresented. In this event a full refund would be provided.
2. Advance bookings are to be made via Club Headquarters or Site and a non-refundable booking deposit of £100 per week, which is payable at the time of booking, must be paid for by credit or debit card or cheque or postal order made payable to "The Camping and Caravanning Club". Bookings which are less than 7 days require full payment at the time of booking.
3. The balance is payable 28 days prior to date of arrival. The balance due date will be advised in the booking confirmation letter or email; no further reminder will be sent. Failure to pay the balance at this time will constitute cancellation of the booking and the deposit will be forfeited. The deposit is refundable if the Club does not accept the booking. If any payment you make is not honoured for any reason whatsoever the Club is entitled to make an administration charge of £10.
4. Bookings due to commence within 28 days must be paid for in full with a Credit/Debit card.
5. To cancel your booking, you will need to contact Club Headquarters or the site directly. If we receive this notice 28 days or more before the date of your booking starts, we will refund all the money you have paid except the deposit. If we receive the notice less than 28 days before the date the booking starts, we will charge you 50 per cent of the full amount for the accommodation, subject to the minimum deposit amount of £100 being retained. If we receive the notice less than seven days before the booking starts we will be unable to offer a refund. The Club therefore recommends that a personal holiday cancellation insurance policy be taken out.

In respect of short breaks, if we receive notice of the cancellation 28 days or more before the booking starts, a £50 cancellation fee is applied. If we receive the notice less than 28 days before the date the booking starts we will charge you 50 per cent of the full amount for the accommodation. If we receive the notice less than seven days before the booking starts we will be unable to offer a refund.
6. The properties can only be occupied for recreational purposes and subject to a maximum of 21 nights for any one visit. An interval of a least 7 nights must elapse before a return holiday.
7. The number of people occupying the property must not exceed the number booked. You and all members of the holiday party further agree not to use the property for any commercial purpose, including without limitation assigning or subletting it or otherwise allowing anyone to occupy the property, which has not previously been accepted by the Club. The Club's representative at the property reserves the right to refuse entry to the entire party if this condition is not observed.
8. The Club's representative reserves the right to decline accommodation to, or expel any guest or visitor for conduct, which in their sole view is detrimental to the accommodation or the comfort of other visitors. The representative including contractors working on behalf of the Club reserves the right to enter the property at any time but will endeavour to do so when convenient to the guest.
9. In the event of a refusal to hand over the property or repossession on the grounds set out in Clauses 7 and 8, the Club shall not be liable to make a refund of any monies paid.
10. The guest undertakes to keep the premises and all furniture, fixtures, fittings and effects in or on the property in the same state of repair and condition as found at the commencement of the holiday (reasonable wear and tear excepted). A full contents inventory is available at each property for guest's information. Any costs incurred to repair or replace damages caused by guests will be reclaimed by the Club against the person making the booking. To cover possible damage or excessive cleaning charges, an additional security deposit of £100 is payable, by credit or debit card only, on arrival*. Provided there is no loss, damage or repairs incurred during the stay, this deposit is refundable, back to the original card, within 14 working days of departure. *Bellingham Pods require a £20 deposit, payable by cheque or cash, on arrival.
11. Only one car may be parked in the area adjacent to the property. Other cars may be parked elsewhere on the campsite, subject to the discretion of the Club's representative.
12. The Club will not accept liability or responsibility for the death of or personal injury to the guest resulting from proven negligence of them. The Club will not accept responsibility for any loss or damage to the property of the guest, including personal belongings, cash, jewellery and motor vehicles, however caused during their holiday.
13. The Club's responsibility and financial liability (excluding any liability for death or personal injury due to negligence) shall be limited to the return of monies received in the event of accommodation, booked in good faith, not being available owing to exceptional weather conditions, flood or fire, or such other cause beyond their control.
