FINDING US

Most SatNavs correctly identify the postcode: **NE48 2JY**
(OS Grid Reference: **836826**)

We are located 0.75 miles south of Bellingham village on the west side of the B6320 Chollerford to Otterburn road.

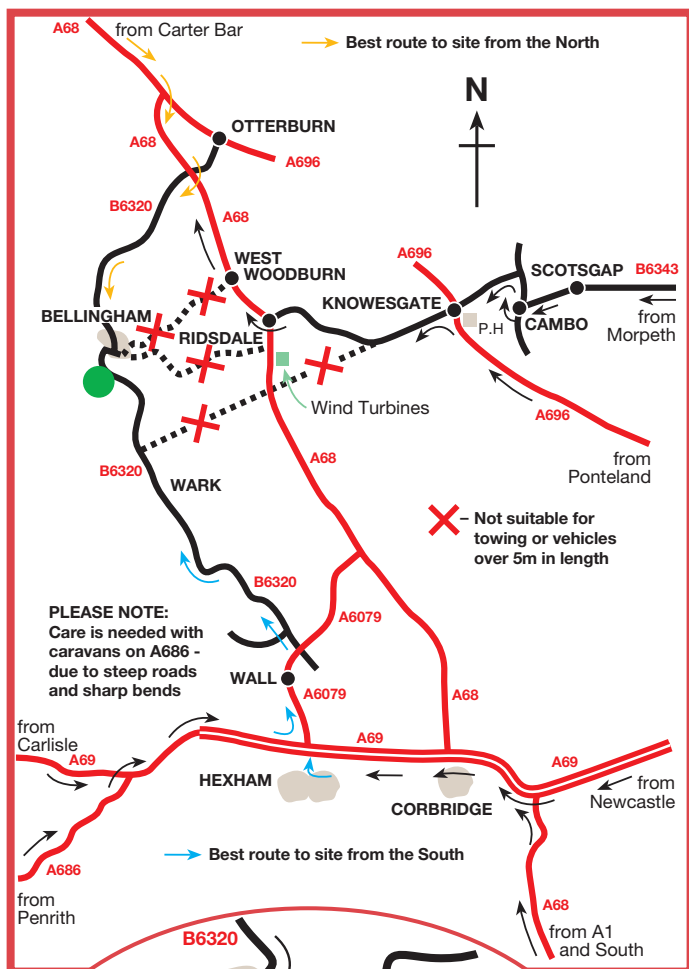

BEST APPROACHES

From Carlisle: Follow A69 eastbound until 2 miles west of Hexham, then turn left (north) on the A6079 (Bellingham, Kielder Water). After 3 miles in total and 0.75 miles after the village of Wall, turn left (north) at a crossroads onto the B6320 (Bellingham, Kielder Water). Shortly afterwards, cross the River North Tyne at Chollerford and take the second exit on the roundabout. Bellingham is around 12 miles north on this road, around 5 miles north of the village of Wark. The campsite is on the left hand side of the road, just beyond a Bellingham local services sign.

From Newcastle: Follow A69 westbound until 2 miles west of (i.e., beyond) Hexham**, then turn right (north) on the A6079 (Bellingham, Kielder Water). After 3 miles in total and 0.75 miles after the village of Wall, turn left (north) at a crossroads onto the B6320 (Bellingham, Kielder Water). Shortly afterwards, cross the River North Tyne at Chollerford and take the second exit on the roundabout. Bellingham is around 12 miles north on this road, around 5 miles north of the village of Wark. The campsite is on the left hand side of the road, just beyond a Bellingham local services sign.

From Jedburgh: Follow A68 southbound and turn right (southwest) on the B6320 (Bellingham, Hexham). Continue for around 6 miles to Bellingham village, do not turn off the road, but continue through the village, e.g. pass the Black Bull pub on the left, and cross the bridge over the River North Tyne. Continue beyond the bridge, without turning for around 600 yards. You will pass a chapel and row of crofters cottages on the left, the campsite is after these, on the right hand side of the road.

**Although Bellingham can be reached by using the A68 Corbridge to Jedburgh road, we strongly advise those driving large motorhomes (>5m) or towing caravans against using this section of the A68. There are numerous dangerous blind summits on the road north of Corbridge. Furthermore, the first 2 turnings to Bellingham going North on the A68 are not suitable for towing vehicles.

THE CAMPSITE

AROUND AND ABOUT IN BELLINGHAM

THE VILLAGE

- Bellingham (pronounced Bellin'jum'), a traditional but very busy Northumbrian village, is a 20 min stroll from the site (0.75 miles). Although small, Bellingham is the centre of a widely-spread community in the North Tyne and Redesdale valleys, and offers a surprising range of services and shops.
- Bellingham has a selection of small shops including: a newsagent/post office, a well-stocked supermarket (open until 10 pm), a general hardware store, a bakery, butchers, a greengrocers and a chemist.
- There are two banks in the village, one with a cashpoint.
- There is a fuel garage in the village, though it is expensive.
- There is a medical practice in the village.
- The Tourist Information Centre, Heritage Centre (a small voluntary run museum) and Carriages café (a refurbished 1950's railway carriage) are located in the former Railway Station yard. The Heritage centre tells the violent history of the Borders; from the Reivers to the iron industry, railway and more, with artefacts from the local area.
- Hareshaw Linn waterfall is an easy two-hour walk from the village. The combination of the rushing burn, the stunning woodland with its rare lichens and fungi, and the opportunities to glimpse Red Squirrels and Roe Deer, deservedly makes this a popular destination with our guests.

EATING OUT

- The dog friendly Riverdale Hall Hotel (01434 220254) is a 10-minute walk from the site, with restaurant and bar food.
- In the village itself, the Cheviot Hotel and the Rose and Crown, three high quality cafes and two takeaways (a Chinese and a Thai) offer a surprisingly good selection.

PUBLIC TRANSPORT

- The Hexham-Bellingham hail-and-ride bus (880) will stop outside the site gate and connects to the bus service along Hadrian's Wall, the AD122 bus, making it possible to have a car-free trip to the Wall. There are also more infrequent services to Kielder.
- You can use a concessionary pass on all routes. Timetables are available in reception.

ACTIVITIES

Walking and Cycling Around Bellingham

- You can enjoy wonderful walks and cycle rides direct from the site; we are on the Pennine Way and at the intersection of a number of long distance cycling routes.
- We are pleased to advise guests and have a number of laminated walking and cycling guides that you may borrow.
- Walks from the site include those to Hareshaw Linn, The North Tyne Riverbank, Ealingham Rigg and Riding Wood.
- Cycle rides range from a short pedal to the ruined Dally Castle at idyllic Tasset, to longer on- and off-road circuits around the North Tyne valley and surrounding hills.
- Kielder Water and Forest Park, the Upper North Tyne valley, and Hadrian's Wall offer even more scope for walking and cycling. All are short drives from the site (25 mins) and are accessible by public transport.
- The local buses can carry cycles, allowing cycle-bus combinations; guests wishing to transport bikes are advised to book this service 24 hr in advance (01830 520609).

Fishing

- The River North Tyne (10 mins walk) is unarguably one of England's best salmon rivers. Permits for the local beats can be bought in the village. Large salmon, brown trout and sea trout are regularly caught by our guests.
- Kielder Water (25 mins by car) has over 2,000 acres of water to explore. With a fleet of 15 fully equipped motor boats, the huge lake offers exhilarating fishing for both enthusiast and competition anglers alike. Bank anglers are spoilt for choice when it comes to choosing a spot with access to around 20 miles of shoreline along the Lakeside Way.
- Fontburn Reservoir (40 mins by car) is a smaller water and has a reputation as being a friendly, family orientated fishery, offering top class fishing for fly and bait anglers alike.

Swimming

- Aside from wild swimming in the River North Tyne, you might think that we are some distance from a place to swim. It is true the coast is a decent drive away, but the swimming pool at the Riverdale Hall Hotel is close at hand – our "top tip" is to take advantage of their "free swim with a meal deal", so bring your swimming gear!

Golf

- Bellingham has an excellent undulating parkland 18-hole course, set in the stunning local scenery. It has an abundance of natural hazards to challenge golfers of all levels of ability. www.bellinghamgolfclub.com
